## *what we offer*

“ The day of your wedding, the proposal, a special event, are all occasions that fill us with joy. But let's face it: the enormous emotion also brings us a lot of commitments, dates to meet, a thousand things to think about. We know it and we understand you very well. That's why relying on professional wedding planners is a great idea, and we at CapriMyDay offer you a wide range of services, in addition to the ceremony, to make your day even more complete: from the florist to the music, accommodation for guests, photographer, boat trip, vintage cars, audio and lighting services, fireworks, graphics for invitations and menus...

Plus, even if we are based in Capri, we are used to plan a destination wedding by Lake Como or Lake Garda, in Rome, Amalfi Coast, Naples or abroad too.
